

April News 2016

ANZAC DAY 25th April.

Please refer to February newsletter which should have been headed March Newsletter but was given the file name February newsletter and nobody noticed it. Are you reading my newsletters or hitting the delete key or spamming it?

Nambour Festival of Brass 11/12th June

We have nominated at a cost of \$150 and we don't want to waste this. Janette has been searching for suitable group accommodation with little success so due to our late decision we have to do it alone.

Book early by the look of it or be prepared to travel. I heard there is a nice hotel at Gunalda. Beers is cold anyway.

No performance times have been sent out yet so the options are Fri/Sat night accom or an early start. We will keep looking. Any ideas let us know!! Maybe a fleet of Wicked Vans.

Membership Overdue 2016

Yardah, Yardah, Yardah. That's local Waka Waka lingo for pay up or else.

Hall Relocation.

New Mayor, partly new council, maybe new rules but we are still on the fundraising kick. Keep up the pressure on social media.

Police Beat Confirmed 10-12am Sat 16th April

Probably Oompah music. This will be decided at the rehearsal Tuesday night. That's right!!

Band Uniform. We can advertise and collect donations with Tubby the Tuba but not soliciting. So leave those slinky leotards at home.
